

1 Day WATERCOLOR WORKSHOPS with Diane Perry

I am excited to offer 2 opportunities to help keep your creative juices alive as we begin the new year.
Feel free to sign up for 1 or both workshops.

Come join in the creative fun. We will spend a day creating a watercolor painting together. I will demonstrate each step of the painting with an easy-to-understand teaching style. You will receive a stencil to start with so you don't have to be worried about sketching the image yourself. We will take each small step together and before you know it you will have a finished painting to take home. The class size is small (limited to 8 students) so you will receive lots of individual attention. The workshop is geared for the beginner to intermediate student. Register early to reserve your spot. You will receive a supply list once your registration is received.
